MONTHLY LUNCHEON MEETING

A joint Meeting of *BOMA Westchester & BOMA So. Connecticut*

Thursday – February 9, 2012

Economic Development

Westchester County and Stamford

PLEASE NOTE LOCATION AND PRICING CHANGE!

Join your BOMA colleagues from Westchester and Southern Connecticut to hear Laure Aubuchon, Executive Director of the City of Stamford and Larry Gottlieb, Director of Economic Development for Westchester County discuss what is happening in their area. Michael Siegel of CBRE will moderate this interactive discussion.

Economic development generally refers to the sustained, concerted actions of policymakers and communities that promote the standard of living and economic health of a specific area. These actions can involve multiple areas including development of human capital, critical infrastructure, regional competitiveness, environmental sustainability, social inclusion, health, safety, literacy and other in initiatives.

How do these two areas compete/compliment each other? Just a few miles separate these two areas, but they cross state lines. What makes a company decide on Stamford over Westchester County or a business' move from Stamford to Westchester County? Taxes? Transportation? Housing? Population?
